[COLLECTION EASY](#)

PRODUCT CODE:

K102-028

Product description

The differentiating features of the Easy CleanOn WC compact set include a modern design and exceptional Cersanit White. The silicon CleanPro coating characteristic for this range of products prevents water and soap residue from forming, making your bathroom fresh and clean for longer. The innovative CleanOn technology distributes water to all nooks in the toilet bowl interior. The rimless design eliminates any nooks where dirt, bacteria and germs can accumulate. The WC compact set comes with the 3/5 l flushing system. The WC compact set comes with a horizontal outflow and water inlet on the side of the cistern. The price includes a WC compact set with a anti-bacterial, soft-close and Easy-Off duraplast seat.
